Raw Deal Gil Valle, Brian Whitney, 2017-02-28 One of the most twisted tales you will ever read a story of cannibal fetishes a terrified wife lying FBI agents a false conviction Patrick Quinlan Los Angeles Times bestselling author Optioned in February 2019 for a motion picture Raw Deal is the untold story of former New York City police officer Gil Valle who in 2012 became known throughout the world as The Cannibal Cop It is part the controversial saga of a man who was imprisoned for thought crimes and a look into a world of dark sexuality and violence that most readers don't know exists except maybe in their nightmares After Valle's arrest media coverage exploded in a frenzy of lurid tabloid headlines and stories about the cop charged with planning to kidnap torture rape and eat women including his own wife But here's the fascinating part there was no such plan in reality Valle faced life in prison for his charges and served 21 months for nothing

more than having online chats about his fantasies He was finally exonerated of all charges Raw Deal raises the question of when does thought become a crime A question that goes beyond his perverse sexuality to answers society must deal with in order to meet the challenge of terrorism It will challenge the reader s beliefs about free speech the right to privacy and government s role in watching over us WARNING This book contains graphic fantasy material of a sexual and violent nature It is intended for Mature Audiences A big part of what makes this book fascinating is seeing the contrast between Valle s extreme interests and his normal life Cultured Vultures On the Farm Stevie Cameron,2011-10-25 Verteran investigative journalist Stevie Cameron first began following the story of missing women in 1998 when the odd newspaper piece appeared chronicling the disappearances of drug addicted sex trade workers from Vancouver s notorious Downtown Eastside It was not until February 2002 that pig farmer Robert William Pickton would be arrested and 2008 before he was found guilty on six counts of second degree murder These counts were appealed and in 2010 the Supreme Court of Canada rendered its conclusion The guilty verdict was upheld and finally this unprecedented tale of true crime could be told Covering the case of one of North America s most prolific serial killers gave Stevie Cameron access not only to the story as it unfolded over many years in two British Columbia courthouses but also to information unknown to the police and not in the transcripts of their interviews with Pickton such as from Pickton s long time best friend Lisa Yelds and from several women who survived terrifying encounters with him Cameron uncovers what was behind law enforcement s refusal to believe that a serial killer was at work My Lobotomy Howard Dully,Charles Fleming,2007-09-04 In this heartfelt memoir from one of the youngest recipients of the transorbital lobotomy Howard Dully shares the story of a painfully dysfunctional childhood a misspent youth his struggle to claim the life that was taken from him and his redemption At twelve Howard Dully was guilty of the same crimes as other boys his age he was moody and messy rambunctious with his brothers contrary just to prove a point and perpetually at odds with his parents Yet somehow this normal boy became one of the youngest people on whom Dr Walter Freeman performed his barbaric transorbital or ice pick lobotomy Abandoned by his family within a year of the surgery Howard spent his teen years in mental institutions his twenties in jail and his thirties in a bottle It wasn t until he was in his forties that Howard began to pull his life together But even as he began to live the normal life he had been denied Howard struggled with one question Why There were only three people who would know the truth Freeman the man who performed the procedure Lou his cold and demanding stepmother who brought Howard to the doctor s attention and his father Rodney Of the three only Rodney the man who hadn t intervened on his son s behalf was still living Time was running out Stable and happy for the first time in decades Howard began to search for answers Through his research Howard met other lobotomy patients and their families talked with one of Freeman s sons about his father s controversial life s work and confronted Rodney about his complicity And in the archive where the doctor s files are stored he finally came face to face with the truth Revealing what happened to a child no one not his father not the medical community not the state was willing to protect My

Lobotomy exposes a shameful chapter in the history of the treatment of mental illness Yet ultimately this is a powerful and moving chronicle of the life of one man *The Shawcross Letters* John Paul Fay, Brian Whitney, 2018-02-13 What happens when one of the most evil men in the history of America meets a man he trusts to share his darkest secrets with Partly told through the letters of Arthur Shawcross The Shawcross Letters is the tale of one of America's most notorious serial killers and his relationship with his would be biographer John Paul Fay **Thin Ice** Paige Shelton, 2019-12-03 The stunning wilds of Alaska are not for the faint of heart but when Beth Rivers finds herself with a need to disappear she's already faced far worse So how hard could it be Beth Rivers known to the world as Elizabeth Fairchild has spent years as a bestselling novelist Her twisty page turning thrillers have garnered a legion of fans but unfortunately her story telling landed her in an unbelievable tale of her own a situation even more terrifying than she could have dreamed Crazy Elizabeth Fairchild super fan Levi Brooks stalked and kidnapped Elizabeth holding her captive inside a van for three days She escaped by throwing herself from the speeding van suffering a severe head injury and memory loss Scarred and still healing from her injuries she secretly escapes to the beautiful and very remote Benedict Alaska It's the only place she can be sure no one will find her But just before Beth's arrival the already small population of Benedict was reduced by one Linda Rafferty's death was ruled a suicide but no one in the close knit community quite believes that conclusion even the sheriff While she waits for her attacker to be apprehended in the lower 48 Beth takes on a project to revamp the Benedict town newspaper She knows enough to go where the story is and there's clearly one behind Linda's death As rumors of murder spread suspicion falls upon the felons staying at a local halfway house and Beth herself Intrigued by both the mystery and the wary folks who call Benedict home Beth starts asking questions only to find her investigation stirring up memories she'd much rather had stayed forgotten

The Midnight Assassin Skip Hollandsworth, 2016-04-05 A New York Times bestseller The Midnight Assassin is a sweeping narrative history of a terrifying serial killer America's first who stalked Austin Texas in 1885 In the late 1800s the city of Austin Texas was on the cusp of emerging from an isolated western outpost into a truly cosmopolitan metropolis But beginning in December 1884 Austin was terrorized by someone equally as vicious and in some ways far more diabolical than London's infamous Jack the Ripper For almost exactly one year the Midnight Assassin crisscrossed the entire city striking on moonlit nights using axes knives and long steel rods to rip apart women from every race and class At the time the concept of a serial killer was unthinkable but the murders continued the killer became more brazen and the citizens panic reached a fever pitch Before it was all over at least a dozen men would be arrested in connection with the murders and the crimes would expose what a newspaper described as the most extensive and profound scandal ever known in Austin And yes when Jack the Ripper began his attacks in 1888 London police investigators did wonder if the killer from Austin had crossed the ocean to terrorize their own city With vivid historical detail and novelistic flair Texas Monthly journalist Skip Hollandsworth brings this terrifying saga to life **Flipped** Wendelin Van Draanen, 2003-05-13 A classic he said she said romantic comedy
