2 Chord Songs Ukulele:

Titan M's 2 Chord Companion : 157 Two Chord Songs : Ukulele Friendly Keys M. Ryan Taylor, 2015-09-25 Author's Note
Through years of research I've collected over 400 two chord songs. This collection represents the cream of the crop. 157 songs in a single volume. Why two chord songs? I spend a lot of time teaching people to play the ukulele, and two chord songs are great for a lot of things: Introducing basic chord pairs, Hammering the transition between those pairs, Teaching chord relationships, Training the ear to hear these relationships, Gaining practice in transposing songs, A feeling of accomplishment for beginners, A jumping off point for intermediate players to begin embellishing chords, A blank slate for advanced players to begin working on chord substitutions and arranging. A safe place for players of all levels to jam. So whether you're new to the uke or a veteran player, this book is for you. Enjoy! TITAN M. Ryan Taylor of UkulelePlay.com
